# Tulsa Tech Aerospace Academy

## Who are we?

We offer technical and academic training in a blended learning environment. You can find us near Tulsa Riverside Airport at the Tulsa Tech Riverside Campus. Our students have the opportunity to train in areas that support Tulsa's Aerospace Industry. These programs include:

- » Aviation Generals
- » Certified Machine Technician
- » Computer Repair & Network Support
- » Cyber Security/Forensics
- » Enterprise Network Technologies
- » IT System Administrator
- » Mobile App Development
- » Private Pilot Ground School
- » Welding

## Why join the Aerospace Academy?

There are lots of reasons we love being part of the Aerospace Academy – the community, the friendships, the shared interests in the Aerospace Industry. Here are a few more specific reasons we think you should join us:

- » Self-paced learning environment
- » Credit recovery option
- » Small class environment
- » Certified teacher in the classroom
- » Teacher-monitored for success
- » Mentorships available for seniors
- » Resume and job interview training
- » Planning for life after high school

## What do our students say about the Aerospace Academy?

*"The best part had to be that I got to finish my classes early and have the opportunity to have a mentor. The friends I have made are also awesome and I wouldn't have had an opportunity to meet them anywhere else."*

**- Bo, a Senior at Catoosa High School  
Aviation Maintenance Technician**

*"I think the best part about joining the Aerospace Academy is having a group of people interested in the same things you are, and the support from all of them."*

**- Race, a Junior at Sand Springs High School  
Private Pilot Ground School**

## Are you ready to join us?

We are looking for high school juniors and seniors with an interest in the Aerospace Industry. If you enjoy working at your own pace, this is definitely a program for you. At the same time, we are a program built on a strong sense of community and support.
